

Directory Enquiries

118 TAXI is also a directory enquiries service that's cheaper than BT, Yellow Pages and those moustache-clad 70s track runners.

- Cheaper than the rest
- All residential numbers
- All business numbers
- Business search by location
- Call connect

Not only are we cheaper we also provide an enhanced information service offering access to all listed business and residential numbers in the UK, that's over 28 million phone numbers. You can search for the number of a person or business by location or by type, e.g. hotels in Birmingham.

With our enhanced database and highly trained staff, you can ask for a business or service even if you don't know the name of the company. Furthermore, we'll even connect you through to the number you've requested, be it business or residential.

Our experienced UK based operators are regularly coached and tested to make sure they provide the levels of customer service you expect, and are standing by ready to help, 24 hours a day, 7 days a week.

So whether you want a taxidermist or a taxi, a pizza or a plumber, or even your Aunt Gertrude's number – 118 8294 is the cheapest number to call.

Calls to 118 TAXI cost only 14p per minute and are billed by the second with a fifty-nine pence connection charge from BT landlines (including VAT). Calls from mobiles and other networks may vary. Prices correct at time of publication (June, 2008).
